SAAFER Grant Application Form

(This form should be printed and returned with all necessary attachments)

Contact Information

Name of Project

Name of Affiliated Institution (if any)

Name of Principal Investigator

Title

Address

City, State, Zip

Phone

Fax

E-mail

Name of contact person regarding this application (if different than above)

Note to Applicant: All narrative portions of this grant, unless specified otherwise, should be typed in a single spaced, 12 pt, Times New Roman font. Responses to each specific topic should not exceed two pages in length. SAAFER reserves the right to request additional information if deemed necessary. Once completed, the application package should be collated in the same order as presented in the application form.

Project Information

I. Project Overview: Please provide an overview of your project. Details should include your research question(s), methods, assumptions, and expectations. Please make sure to include a specific statement of intellectual merit and broader impact.

II. Project Background: Please provide an overview of this project's relation to the field. From what theoretical tradition is the project positioned? What questions have already been answered and what more needs to be done? Is this project a continuation of previous research? If yes, please describe the previous research. What obstacles ensued? How will this differ or add to the previous research?

I. Are there any other projects, researchers, or companies directly linked to your project? If yes, please describe their influence or how they are affected by your results

II. As an appendix, please provide a specific reference list to any published articles relating to this project.

Additional Materials

The prior criteria is required by SAAFER to base its' decision. If SAAFER feels more information is needed for a final decision, the primary contact on this application will be notified. Thank you for taking the time to complete this form and we wish you the best of luck on your project.

I certify that the statements herein are true, complete and accurate to the best of my knowledge. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties.
